Poster Presentations

(If the conference is in-person)

A partition will be assigned to poster presenters, with dimensions 2.44 m tall by 1.22 m wide (8 ft by 4 ft). You will have half of one side of the partition (4 ft by 4 ft) and another presenter will use the other half of the same side of the partition. Two presenters will use the other side of the partition.

Pushpins will be supplied for you to secure your poster to the partition.

A minimum 20 pt. font size is recommended for print and graphics/charts.

Posters will be assigned a display date. Posters may be put up at 6:00 PM on the evening prior to your display date and must be removed by 6:00 PM on your assigned display date. Any posters or poster tubes/cases that are not claimed by the end of the conference will be thrown away.

(If the conference is virtual)

Virtual posters will be displayed as video-on-demand.

All posters must be self-recorded. EWRI recommends recording voice-over through PowerPoint for your poster presentation.

All self-recorded presentations are due by **Friday, April 9, 2021**.
